MEMORANDUM FOR: Executive Secretary

FROM: Robert M. Gates
Executive Assistant to the DCI

SUBJECT: NSCID/DCID Notebook

1. Please prepare a notebook for the DCI's retention which contains all current NSCIDs and DCIDs. I will ask that your office take responsibility for keeping the notebook updated.

2. Also, please determine what happened to the program to revitalize those DCIDs that were not controversial. The DCI recalls something coming back on this a while ago indicating that there were problems even with that, but still understood that something was moving forward.
